

## ADVANCED ADULT LIFE SUPPORT SKILLS COURSE OUTLINE

**Course Duration:** 1 day

**Suitable candidates and pre requisitions:** This ALS skills CPD course is designed as a refresher or CPD course for pre-hospital providers. With the recent changes to the Resuscitation Council ALS guidelines it is an ideal opportunity to refresh your skills and knowledge and give you the confidence to competently practice these skills.

Students will need to be advanced ALS or ILS providers prior to commencing this course.

**Method of Tuition:** Interactive theoretical tuition combined with extensive practical sessions. There will be a MCQ as well as practical assessment throughout this course.

**Course Objectives:** Provide the student with the knowledge and skills to deliver adult intermediate life support and adult advanced life support.

**Costs (Ex VAT): £100.00**

### SOME OF THE TOPICS COVERED INCLUDE:

- Review of Basic Life Support
- Incidence and causes of sudden death
